*Fungus Forays continued from overleaf*  
There will be a chance to warm up with a hot  
drink and something to eat in the barn after  
our walks.

**Cost: Suggested donation £2**

**Saturday 8<sup>th</sup> December 10.00am**

## **Holly and Ivy**

Harvesting the holly for Christmas decorations is  
a traditional annual event at Heatherwood. No  
expertise is needed, but you do need to come  
prepared to get your hands dirty!

It's a great way to work up an appetite for a  
filling Heatherwood lunch, served in the barn  
of course.

**Booking required.**

**Contact Rev Jean Hoggard. Cost £5**

**Saturday 22<sup>nd</sup> 3.0pm**

## **Crib Service at the Barn**

Come and watch the children round the crib  
putting the animal in their places.

Singing Christmas Carols and ending with mince  
pies tea and coffee.

# Wild Workshops at Heatherwood 2012

Saturday 4<sup>th</sup> February 10.30am

## The Nest Box Challenge

A Saturday Workshop that focuses on:

- Repairing and cleaning existing boxes
- Building new ones
- Putting up these new nest boxes

We will also be recording the positions of the boxes so we can send nesting details to the British Trust for Ornithology's 'Nest Box Challenge' project.

There will be tea and cakes in the barn when the work is done.

**Cost: Suggested donation £2**

Saturday 5<sup>th</sup> May 4.30am

## The Dawn Chorus Walk

This is the time of year when the early morning bird-song is at its best.

Come early to see how many birds we can identify by their song and reward yourself afterwards with a cooked breakfast in the barn.

**Booking required.**

**Contact Rev Jean Hoggard. Cost £5**

Sunday 5<sup>th</sup> August 9.30pm First Night  
Sunday 19<sup>th</sup> August 9.30pm Second Night

## Moth Nights

We already know Heatherwood is a great place for moths and if you have been to a previous Moth Night you will know it's always exciting returning to the trap to see what has been caught.

We will set up the moth trap (weather permitting) and leave it to do its work while we enjoy refreshments at the Shibden Mill Inn. On our return we will try and identify the moths and record the species with a view to building up a species list for Heatherwood.

**Cost: Suggested donation £2**

Sunday 9<sup>th</sup> September 3.00pm

## Heatherwood Harvest

An opportunity to explore the 'natural harvest' Heatherwood has to offer – blackberries, crab apples, elderberries and more. Bring your jam and preserves recipes to share; we may even try some of them out in the new barn kitchen.

The afternoon will also include a short act of worship focusing on God's creation, and we will end by sharing a simple tea together.

**Cost: Suggested donation £2**

Sunday 4<sup>th</sup> November 2.30pm

## Fungus Forays

We hope to have the help of a local expert in identifying the many species of fungi appearing at Heatherwood at this time of year.
